Civil Action No.  
2:06cv766-MHT

**DEFENDANT'S SIXTH MOTION IN LIMINE**

COMES NOW the Defendant, **Richard M. Dorsey**, and hereby moves the Court to prohibit the Plaintiff, her attorney, or any witnesses from introducing by way of testimony or documentary evidence, information about the following subject:

Any evidence relating to or any opinion concerning the balance of the Promissory Note. This allegation has been dismissed by the Court by way of summary judgment.

To allow such evidence would only serve to prejudice the Defendants. It would also cause a mini trial on claims not advanced by the Plaintiff and which are immaterial and irrelevant to the Plaintiff's claims, or which have been dismissed by the Court. Any probative value of this evidence is substantially outweighed by its prejudicial effect. *Fed. R. Evid. 401, 402 and 403; Hapring v. Continental Oil Company, 28 F.2d 406, 410 (5<sup>th</sup> Circ. 1980)* (excluding evidence that unduly prolongs the trial).

RESPECTFULLY SUBMITTED,

By: //s// Clifford W. Cleveland  
Attorney Code: CLE007
